Hi All,

I think the letter is very good. I made a few edits including adding the Ohio Department of Health as a recipient for the sampling results. I attached my edited version. I am also sending it to Jacquie Clark for her review.

I just sent the letter to my management for their review. I requested a review by the end of the day and I do not anticipate them having any comments or changes, but **please wait for their approval** before you start putting it through sign-off in Region 3.

Thank you,
Jenny

Hi Roger,
I made a few minor edits in track changes. See attached.

Cheers,
Matt

Subject: Chemours Washington Works; GenX sampling request - round 3

Attached is a draft letter to Chemours requesting a third round of GenX sampling at designated public and private water supplies in the vicinity of their Washington Works facility. Please review for accuracy and clarity and let me know if you have any questions. Thanks.

Roger
